Organised by

# India's Definitive Event on Warehousing, Logistics and Supply Chain Industry

GLS is the premier meeting place for the India's Warehousing, Logistics and Supply Chain Sector. In its 5<sup>th</sup> edition, it will bring together 5000 professionals involved in the handling, moving and transportation of goods throughout the supply chain.

GLS is a proven platform for Intra logistics industry to do business, and its an ideal place to meet new contacts and win new business!

## MARKET OVERVIEW

1

The Indian logistics industry which provides employment to more than 22 million people has grown at a compound annual growth rate (CAGR) of 7.8 per cent during the last five years.

2

"With the implementation of GST, the Indian logistics market is expected to reach about USD 215 billion in 2020, growing at a CAGR of 10.5 per

3

Improving the logistics sector has huge implication on exports and it is estimated that a 10 per cent decrease in indirect logistics cost can increase 5-8 per cent of exports.

4

Indian market for warehouse automation is projected to grow 10-12% to \$3.49 billion by 2020

5

A new logistics division has been created in the Department of Commerce to coordinate integrated development of the industry, identification of gaps, and introduction of technology based interventions.

## KEY REASON TO EXHIBIT

100+

### Exhibiting Companies

Exhibit alongside the leader Industry Player

5,000+

### Attendees

Increase Brand awareness & market reach

Meet buyers and win new business

40%

OF VISITORS HAVE AN ANNUAL EXPENDITURE TO SPEND ON MATERIAL and LOGISTICS SERVICES

Meet Senior Supply Chain heads from different Industry sectors

55%

OF VISITORS PLAY A KEY ROLE IN THE DECISION-MAKING PROCESS

Secure New leads

50%

EXHIBITORS AT GLS 2019 MET AN AVERAGE OF 50 NEW CONTACTS

**Material Handling & Storage Solutions for Warehousing & Logistics**

- \* Access & Aerial work platforms, Scissor Lifts
- \* Accessories: Batteries, Tyres, Castor Wheels & Forklift Attachments
- \* Cranes – Hydraulic, EOT, Gantry & JIB
- \* Dock Levelers, Doors & Shutters
- \* Forklifts, Pallet Trucks, Reach & Tow Trucks
- \* Rollers & Conveyors
- \* Weigh Bridges
- \* Warehouse Racks & Mezzanine Floors
- \* Compactors & Mobile Shelving
- \* Pallets, Crates, Bins & Trolleys

**Infrastructure Solutions for Warehousing & Logistics**

- \* Pre-Engineered Buildings & Industrial Roofing Solutions
- \* Industrial Flooring Solutions & Building Material Manufacturers
- \* Fire & Safety Solutions
- \* Industrial Coolers & HVLS Fans
- \* Warehouse Lighting Solutions & Power Backup Solutions

**Packaging Solutions for Warehousing & Logistics**

- \* Strapping & Wrapping Machines
- \* Dunnage Bags
- \* Lashing & Tapes
- \* Corrugates Boxes & Bubble Wraps
- \* Packaging Seals

**Automation Solutions for Warehousing & Logistics**

- \* Automated Storage and Retrieval Systems
- \* Automated Guided Vehicle
- \* Industrial Robots
- \* Integrated Traffic Systems & Control Technologies
- \* Pick and Place Robots and Sorting Systems

**Technology Solutions For Warehousing & Logistics**

- \* Barcode Scanners & Printers
- \* Marking & Coding Solution Providers
- \* RFID Solutions, Fleet Management Software, Warehouse Management System
- \* GPS Navigation & Vehicle Tracking Systems
- \* Cloud Solutions

**Service Providers**

- \* 3PL & 4PL Companies
- \* Warehouse , Logistics & Industrial Parks
- \* Logistics & Supply Chain Consultants
- \* Logistics & Supply Chain Companies

**VISITOR PROFILE**

Warehouse, Supply Chain, Logistics, Commercial Procurement & Plant Heads from following sectors:

- |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
